BLADE SAFE

Order No. M4-100

An instrument for the safe removal of scalpel blades from handles.

- Protects against cuts
- Stainless Steel construction
- Autoclavable
- Easy to use
- Economically priced

SCALPEL HANDLES and DISPOSABLE SCALPELS

M4-7 M4-8 M4-10 M4-11 M4-12

SCALPEL HANDLES

- M4-7 HANDLE No. 3 blade sizes 10-15
- M4-8 HANDLE No. 4 blade sizes 20-25
- M4-10 HANDLE No. 3L, deep cutting, blade sizes 10-15
- M4-11 HANDLE No. 4L, deep cutting, blade sizes 20-25
- M4-12 HANDLE No. 3LA, deep cutting, blade sizes 10-15

All handles are stainless steel.

Most are available in premium and standard grade.

DISPOSABLE SCALPELS

Single use scalpels are pre-assembled: Stainless steel surgical blades mounted on plastic handles with fluted finger-grips. The scalpel blade is safely protected by an easy pull-off protector. Each sterile scalpel is sealed in a peel-apart see-through package. Ten scalpels are packaged per box.

CARB-N-SERT SCISSORS

OUR TOP QUALITY LINE OF SCISSORS

Tungsten carbide blades are bonded to the finest quality stainless steel surgical scissors, then precision ground and honed on diamond wheels.

- Precision screws, fully tempered to keep scissors in perfect alignment
- Scissor shanks are tempered to permit proper flexibility
- Finger rings are well rounded for better feel and to prevent fatigue

Carb-N-Sert scissors will rarely require sharpening. While the initial cost is higher, they represent a considerable savings to the user in the long run because of superior performance and longer service life.

KNIFE, SCISSOR AND FORCEP SHARPENERS

**Scissor Sharpener
Model LW5500**

A two step process will provide incredibly sharp scissors. A Coarse first step for reconditioning damaged and extremely dull edges and a Fine second step for sharpening and honing the finished edge. 100% diamond abrasives provide superior results. Size: 8" x 4" x 4" high

**Knife Sharpener
Model LW5120**

A three step process will provide better than razor sharp edges. The first step for sharpening, the second for honing and the last step for stropping and polishing. 100% diamond abrasives will never distemper your quality knives. For straight and serrated edges. Size: 10" x 4" x 4" high

Forcep Sharpener ~ Model 5-5010
